### Application Process: Pre-Kindergarten Students

Normal Park offers a tuition-based Pre-K program. The Pre-K classes beginning in August 2009 are already full with 75 names on the waiting list. We will begin taking names for the 2010 class on May 1<sup>st</sup>, 2009.

To register for the 2010-2011 school year, you must call the school beginning at 8 a.m. on Friday, May 1<sup>st</sup>. We run this process like a radio station contest so interested parents should continue to call until they get through. We will not take names from walk-in parents and camping out will not be allowed. Siblings of current Normal Park students do not need to call as they receive first priority.

Tuition for the Pre-K program is currently \$5,000 per year. Pre-K parents must fulfill the required 18 parent involvement hours, attend two parent conferences per year, and ensure that student attendance is acceptable.

Children enrolled in the NPMM Pre-K program are guaranteed acceptance in Kindergarten, but a magnet school application must be filled out.
